## HANDCRAFTED PRECISION BOATBUILDING SINCE 1920.

Linex Boat Oy is a Finnish family-owned company that manufactures first-class boats for leisure and professional use. The sturdy structure married with elegant design is the result of careful planning, traditional craftsmanship and a modern perspective on production.

Buying a Nord Star is an investment in reliability, safety and power at your fingertips – regardless of the weather or time of year.

Sincerely,  
The Lindkvist family

NAUTICAL MILES FOR  
YEARS TO COME

## TAILOR-MADE AND WELL BUILT – PERFORMANCE AND MANEUVERABILITY

Nord Star boats are well-known of good maneuverability and smooth ride through the rough seas and sunny coasts. The famous Nord Star performance gives the vessel true trustworthy which pilot can trust. Bespoke, hand made Finnish boatbuilding and good performance have given a proven soul to the each boat we have made in 100 years.

## THE NORD STAR HERITAGE

The Lindkvist family started building boats in 1920's, when Sivert Lindkvist mastered the art of boat building and started to craft boats also for clients. With fresh vision and passionate inspiration, each generation has been keen to save the traditional craftsmanship as well as acquire more information about boat construction and company development. The boats are also tested throughly to operate flawlessly also in demanding environments.

FINNISH BOATBUILDING  
CRAFTSMANSHIP IN 4 GENERATIONS

BUILT TO LAST BY  
SKILLED PROFESSIONALS

## ROBUST CONSTRUCTION MEETS BESPOKE DETAILS

Each Nord Star boat is handmade and customized to fulfill the demanding customer's needs in our state-of-art factory in Finland. The superstructure is hand laminated and ensures a reliable and safe platform to build the perfect boat for each customer. Classic modern design, finished details, tested materials and high quality workmanship have made the Nord Star boat a safe and long lasting investment.
